Additional Exhibitor Information

Little Forest (Bronze Sponsor) **Booth #23**

Navigating the Digital Jungle: Unveiling the Importance of Web Accessibility. Little Forest is a company that believes in creating a brighter future one day at a time. We believe that in measuring and planning what to improve, we can make our lives better, no matter where we start from. Our service monitors websites and helps people improve the quality of their customer experiences. We work to make better websites by creating better habits in your teams. Formed in London in 2007, Little Forest provides award-winning website Quality and Accessibility software, an essential part of any web strategy. <https://littleforest.co.uk>

Adobe (Computer Lab Sponsor)

Adobe gives you everything you need to design and deliver exceptional digital experiences. We're passionate about empowering people to create beautiful and powerful images, videos, and apps across every screen. [Adobe.com](https://adobe.com)
